Sir,

Sub:- Establishment - Cooperative Societies - Housing scheme - Staff for the office of the Deputy Registrar, Bellary - Retention of one Senior Inspector-clerk - Requested.

Ref:- G.O.Ms.4918 Development dated 6-11-51. 3 of (K)

In their order cited Government were pleased to sanction the retention of one Senior Inspector-clerk in the Deputy Registrar's Office, Bellary for a period of one year from 8-11-51. The period of sanction will expire on 7-11-52 afternoon. The Deputy Registrar, Bellary requests that, as there has been a continuous increase of work in his office as on account of the development of the housing schemes in his District, the post may be retained permanently with effect from 8-11-52 forenoon.

2. There are at present four cooperative building societies, four cooperative house building societies, one rural housing society and one housing society for weavers. The four house building societies have completed 194 houses out of the 511 houses programmed for by them. The construction of another 76 houses is in progress. They will take up more houses as and when further loans are sanctioned to them. The Yemiganur weavers Cooperative Society which has taken up a housing scheme for its members is proceeding with the construction of 102 houses. The Gurupuram Rural Housing Society has started construction work in respect of 10 houses. The building society at Harpanahalli has begun work and is proceeding with the construction of 13 houses. Out of Rs.15,53,300/- so far sanctioned to the societies in 269 loans, a sum of Rs.10,04,750/- covering 166 cases has been drawn and disbursed to the societies. The Deputy Registrar expects to get 97 fresh loan applications for Rs.6,05,000/- before 31-3-53. The total amount so far spent on construction work by all the building societies amount to Rs.21,50,552/-.

3. Apart from the 269 loan applications, there are 206 other currents pending in the "building section" of the Deputy Registrar's Office. The scrutiny of the loan applications, examination of title deeds, maintenance of Government ledgers and other accounts, issue of demand notices to societies, appropriation of remittances to the Government and other correspondences relating to execution, arbitration, audit of accounts of building societies, rectification of defects, maintenance of loan ledgers, reconciliation of accounts with the Treasury figures etc, that are not reflected in the number of currents received, involve heavy clerical work necessitating the retention of the post of the Senior Inspector. I therefore request that the Government may be pleased to sanction the retention of the post of the Senior Inspector-clerk for a further period of one year from 8-11-52.
